Pierce County Fire District 3, DBA West Pierce Fire & Rescue (WPFR) and Pierce County Fire District 27 (Anderson Island) hereby enter into this agreement for fire engine pump maintenance, to be provided by WPFR vehicle maintenance personnel as described herein.

Section 1 Services

- 1.1 The vehicle to receive fire pump maintenance under this contract is the 1993 E-One engine. Additional vehicles may be added by mutual agreement.
- 1.2 Maintenance will be scheduled by WPFR, and will be performed at the WPFR vehicle maintenance shop. District 27 will be responsible for drop off and pick up of their vehicles.
- 1.3 The scope of work to be included is to be focused around the fire pump, not the diesel engine or its components.

Section 2 Compensation

- 2.1 Labor will be billed at \$145.00 per hour. Parts will be supplied at cost plus 10%.
 - 2.1.1 This rate will automatically increase annually by 3% unless otherwise agreed by the parties.

Section 4 Hold Harmless

- 4.1 Each of the parties which are signatories hereto, by executing this Agreement, mutually agree to hold harmless any of the other parties for any negligence, errors, or omissions. Any equipment failures that may result as part of the pump testing process will be deemed the equipment owner's responsibility.

Section 5 Duration

- 5.1 This contract shall remain in effect until December 31, 2019 and shall be automatically renewed unless notice is given by either party at least sixty days prior to year-end.
